

From JR Omi-Maiko Station to J-Hoppers [15 min walk]

There are no street lights from the station to J-Hoppers,
so it will be very dark after sunset.

We recommend that you come before sunset.

Get out from the station and go to the left, ① you will see a road for pedestrian and bike painted red, so walk along that road. ② Cross the pedestrian crossing and walk along the red road. After walking about 930 meters, ③ there is a crossroads so turn left there. After walking about 70 m you will see the entrance of J-Hoppers Lake Biwa Guesthouse on your right hand side.
